I did not answer the question.

The State authorities have sabotaged the company to prevent it doing commercial business of Membership of a Political Party. I will have to change my strategy completely and work slowly through my websites to get support of those people who wish to be part of The Conservative Libertarian Society with its offshoot The Conservative Libertarian Party of the United Kingdom. I will not waste my time going for an official Petitions to the Petitions Committee of the House of Commons.

Sabotage of the Development of the work of TCLS/TCLP-UK

Hello Members!

Since the idea for The Conservative Libertarian Society was born in the middle of 2021, the Founder Dr Shantanu Panigrahi faced almost continuous attempts to sabotage the progress of this organisation.

This evening, the 31 August 2024, we have survived without Stripe's banking support because the Company The Conservative Libertarian Publications Limited is registered with Companies House and pays taxes to the HMRC of the United Kingdom. This cannot be shifted without due legal process.

The vested interests that terrorised the Founder to put him off his stride were the Constitutional Monarchy in the United Kingdom, and they are beyond the law as the Courts and Parliament have no authority to challenge any of their decisions.

The Founder's conscience says that TCLS/TCLP-UK must remain steadfast with its agenda to bring about ameliorative changes to society in the country that he lives in and so we shall continue to encourage people to join us here as Members with donations through the button at the top left hand corner of the website.

For no one in his or her right mind would love the way the present Monarchial Establishment of the United Kingdom runs the country undemocratically from its secrecy of operations. The details for this have been uncovered by the Founder over a 26 year period of investigations that became necessitated from a bizarre event that he faced in a disciplinary matter while a scientist at the University of Greenwich and from where he was dismissed without having his defence considered. It was the Constitutional Monarchy that had engineered the Founder's downfall leading to him having no chance to restore his reputation in the Courts of the United Kingdom. Subsequently, the Founder was incarcerated in mental hospitals on two occasions for protesting against these injustices, and as his protests continued, offences were framed by the Police that led to 6 arrests so that it was only a matter of luck that he did not end up in a prison cell for offences that he was totally innocent of.

These experiences had to be put to one side and work had to be undertaken to try and topple the Monarchial Establishment and with official and legal dethronement and impeachment proceedings not being responded to by the State authorities, the author became a full Republican.

We will therefore survive to fight on and win people to our cause.

Your Honour

Since the events relating to my trial for a Speeding charge of 10 November 2023 during which I was attempting to submit mitigating circumstances so that it would be duly considered for a Retrial as linked here: <https://www.knowledgeassessmentanddissemination.com/post/appeal-for-a-retrial-on-the-10-november-2023-2-pm-conviction-and-sentencing> some considerable processing of legal matters have taken place and the fullest extent of the mitigating circumstances is now evident as linked here: <https://www.knowledgeassessmentanddissemination.com/forum/general-discussion/state-organised-conspiracy-to-terrorise-and-perpetrate-injustices-on-the-author-finally-exposed> and attached: CONSPIRACY EXPOSED-digital.pdf.

Accordingly, I would like to express my deepest regrets that the Retrial has so far not been granted by the Magistrate; and simultaneously request that due reconsideration is given now.

Subject: Re: Official Complaint against Forz Khan barrister/Chambers

Dear Mr Khan

1. The private prosecution of Kent Police and the Prime Minister were launched without your assistance at East Kent Magistrates Court and Maidstone Crown Court by myself directly; East

Kent Magistrates Court considered the original issue of summons on the Chief Constable of Kent Police and issued a Judgment that I had not provided sufficient clarification or information on the matter. I appealed but could not find the Case Number on which the summons was decided because Kent Police had seized all our computers and USB Memory Disks at the time containing those details. Then I got diverted by incessant criminal anonymous emails that were fired at me, my associates in the United Kingdom including my wife, and relatives in India. I took out an injunction against the Chief Constable of Kent Police to stop the Police Force terrorising me with arrests from 15 September 2021 onwards together with a Money Claims but due to procedural problems arising from my lack of expertise the Medway County Court stopped responding to my Claim under J00ME572. I will now be able to find the details as Kent Police has returned our computers and three laptops as well as the 4 USB Memory Sticks and 3 Mobile Phones and the alleged stalking and sending of malicious emails were not pursued by Kent Police against me in the end for reasons only known to them. I have my own speculation. The original Claim against Kent Police had been lodged in the Kings Bench of the High Court under Claim No HQ17X01773, but without a Defence being submitted to the Court by the Defendant Master Eastman ruled that I had not provided sufficient clarification of what the Particulars of Claim were. I appealed, but no replies came.

2. As regards the Claim that I lodged at the Central London County Court under Claim E35YM660 that I also requested you to intervene on a Hearing was announced in December 2022 for 20 January 2023 to hear my Appeal but despite months of representations that I made to the Circuit Judge for a Summary Judgment or Directions for further Hearings the Court did not reply to a single one of emails. The original Application Notice that I submitted to the Court challenge all of the Judges' rulings since Claim inception was submitted on 21/13 June 2021, soon after I was ordered to pay the Costs of the Defendant of £4170.

3. Until the Full Written Reasons for the following proceedings are made available to me the private prosecution and litigation must continue:

- (a) Why the Injunction against Kent Police at Medway County Court failed.
- (b) Why East Kent Magistrates Court could not find the Case Number for the private prosecution of the Chief Constable of Kent Police from its own records.
- (c) Why the stalking and harassment that I was held as a suspect on by Kent Police on 5+2 occasions was considered a criminal matter and not a civil matter.
- (d) Why Maidstone Crown Court would not facilitate my counter-prosecution against Kent Police from 2017 onwards.
- (e) Why the matter of my Claim against Wigmore Medical Centre in the first of two Claims that I lodged at the County Courts Money Claims Centre never got past the initial hurdle of approval.
- (f) Why I was told by the Central London County Court that the Hearing that was presided over by District Judge Lightman would be a Pre-Trial Hearing on me.
- (g) Why the North Kent Magistrates Court never entertained my application for overturning the Bail conditions imposed on me by Kent Police.
- (h) Why the Charge Refused Certificate from Kent Police attached (ChargeRefusedCertificationfromKentPolice-1.pdf) are entirely different from the original offences of Stalking and sending Malicious Communications.

4. If you can find out the answers to this at the eleventh hour, that would go some way towards me withdrawing my complaint against you at the Legal Ombudsman.

Yours sincerely

Dear Mr Forz Khan

In view of your silence concerning the £3000 that I paid the Firm with a contractual agreement for a private prosecution against Kent Police in the Magistrates Court or the Crown Court, but you did not act quickly enough for my purposes I asked you to refund that money; following which you refused to get involved in the civil litigation against the Prime Minister of the United Kingdom in Central London County Court under Claim E35YM660 wherein I demanded £100 million in damages and compensation for the 26 years that I suffered from defrauding me of my severance payment of £55,000 by the University of Greenwich, MI5 engineered trolling terrorism under the guise of Victims of Panigrahi Association, police brutality by Kent Police, North Yorkshire Police, West Yorkshire Police, the Independent Office for Police Conduct, terrorism through Banks and Institutions such as Employment Business, The Financial Services Ombudsman, The Parliamentary and Health Services Ombudsman, persecution for being a Hindu, intensive perverting of the course of justice and obstruction of justice; I put it to you that you were well aware that both Police authorities and the other security services were above the law and your demand for £3000 to lead me astray was perverse.

The Bar Standards Board has informed me that you have 4 weeks to reply to me on this complaint following which the matter will go to the Legal Ombudsman for a decision in accordance to my subsequent findings as linked here:

in General Discussion

In regard to the linked correspondence:

<https://www.knowledgeassessmentanddissemination.com/post/financial-ombudsman-service-complaints-referral> I had updated my book 'All together Now' in Internet Archive and in The Allurement of Reality in Review Shop to the introduction of: 'Clarification' and replaced the (f) of CASE PROGRESSION ON JME00572 blog post; to draw a line under the proceedings. It is for the three Courts or the House of Commons Petition Committee to reply to me on the email that I sent them on 28 August 2024 21.21 pm:
<https://www.knowledgeassessmentanddissemination.com/post/j00me572-e35ym660-ca-2023-000750> . This is because the Financial Ombudsman Service (FOS) was already chucked into E35YM660 Claim a few months ago as terrorising me, and this is proven by the email it sent

me on the Tide Bank Complaint that it selected to protect Stripe especially and the rest of the 4 Banks of Barclays, Barclaycard, Santander and PayPal.

So from its failure to respond to the email I sent FOS, as referred to here:

Dear Stripe

What advice did Stripe receive from its specialised Team concerning our correspondence as linked here: <https://www.theconservativelibertariansociety.com/forum/tclp-uk-proceedings/update-on-the-on-going-saga-between-stripe-bank-and-the-conservative-libertarian-publications-limited>

Thank you for contacting the Financial Ombudsman Service, we are a free service set up to resolve disputes with financial businesses, like banks or insurance companies.

We're helping a lot of customers at the moment, so I'm sorry we won't be able to reply straight away.

If you're contacting us about a new complaint

You can find out more about the things we can help with on our website – where you can also use our complaint checker tool to see if your complaint is one we can look at.

If we can help, we will get back to you within 7 days. Due to the volume of enquiries we receive, we are only able to reply to those customers we can help.

If you already have a complaint with us

We'll contact you once your complaint is with a case-handler.

However, if you're experiencing serious financial or health problems, or need to speak to someone urgently, please call us on 0800 023 4567.

If we are not able to help you

We can only look at complaints about financial businesses (like banks, insurance companies and finance firms). We can't help with other complaints – for example, about phone and utility companies, council tax or legal services. Please look at our website for more information about other organisations that may be able to help – but they are completely separate from the Financial Ombudsman Service

And just to remind you again, if we can help, we will get back to you within 7 days.

Thanks,

Financial Ombudsman Service

Dear Stripe

I thought of giving you some additional time to think about this matter, but a moment ago I checked into my JOIN IT Membership Account and through it into the Stripe Account to check on the Verification status, which displayed, as follows:

Your current verification status is:

The Conservative Libertarian Publications Limited

We can no longer support your business

After conducting a further review of your account we've determined that we will no longer be able to accept payments on your account moving forward.

You were notified of the reason why your account was closed via the email address that you have registered with Stripe.

If you believe that we've misunderstood or miscategorized your business and would like us to conduct another review of your account, please complete the form linked in the email that will direct you to your Stripe Dashboard to provide more information about your business.

If your business is on our Restricted Business list, it is unlikely we will be able to accept payments for you. We will not consider any illegal products or services. Visit the Restricted Business list FAQ for more information.

Did this help solve your issue?

2. The response from the State authorities was through Khadija Tul Kubra in LinkedIn to which I replied adequately in explaining to her that the website that I maintain is of 'Hinduism.'

3. Accordingly, I updated this book in Internet Archive and in The Allurement of Reality in Review Shop to the introduction of: 'Clarification.'; drawing a line under the proceedings as nothing was happening. The response from the State authorities was evident in that the terror and injustices were all organised by the Constitutional Monarchy.

Subject: Financial Ombudsman Service Complaints Referral

Dear Sirs

I am still awaiting the payment of my damages and compensation demand of a total of £200 million from the Banks referred to the Financial Ombudsman Service as attached: ToFinancialOmbudsmanService(All Banks to be assessed in Complaints)29Aug2024.docx; as well as Kent Police, the University of Greenwich and other State institutions named to the Medway County Court under its Claim No J00ME572.

Let me know how you will resolve this matter before I seek fresh legal advice for the conspiracy that has been organised against me in the matter of police brutality, M15/M16 engineered trolling-terrorism, victimisation, religious persecution, obstruction of justice and the deliberate perverting of the course of justice to deprive me of civil liberties and accompanying with that £55,000 financial dues as severance payment by the University of Greenwich together with £4170 paid under duress to the Cabinet office in June 2021.

Update:

I had not seen the email from Stripe before I had sent off my email to Kent CPO which was just as well as Providence would have it for I needed to have Court proceedings to protect myself and my family, not civil interactions for all the truths are out in the open, especially on reading the email from Stripe.

So created this book in Internet Archive and in The Allurement of Reality in Review Shop to the introduction of: 'Interesting developments'; the Magistrates can now consider the application for a Retrial based on the email from Stripe.
